## The Secret Life of Girls by Linda Daugherty Directed by Sharon Jakubecy Klehm

"I'm going to tell you a secret-and I don't want you to tell. The secret is about me-about my life-how it will never be the same again."

In this honest and unflinching dramatization of teen-girl angst, a window is opened into the tumultuous and destructive world of girls' bullying. Bullying in the form of gossiping, keeping secrets, using friendships as a weapon, name-calling, exclusion, rumors, and manipulation become a prelude to dangerous behaviors, depression, eating disorders, cutting and premature sexuality.
