A Little Princess - Directed by Kelly Herman

Adapted by June Walker Rogers from the Book by Frances Hodgson Burnett

A heartwarming family classic of how magic can truly happen with a loving heart. When Sara Crewe's wealthy father suffers devastating financial ruin and dies, Sara is reduced from enormous wealth to poverty. At Miss Minchin's school for young ladies, where she had been a pampered student, she is forced to work as a servant. It is Sara's loving heart and vivid imagination that help her remain a princess inside despite the change in her circumstances. (Modest Adult Travel Stipend)
